INFORMATION DISCLOSURE STATEMENT

1. Preliminary Statements

Submitted herewith are patents, publications or other information which are believed may be material to the examination of this application and in respect of which there may be a duty to disclose.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made, an admission that the information cited is, or is considered to be, material to patentability, or that no other material or information exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1993, 1135 O.G. 13-25, at 25.

2. Time of Filing

This Information Disclosure Statement accompanies the new patent application submitted herewith. 37 CFR 1.97 (a).

3. Identification of Information Items

A list of the information items identified is set forth on the attached Form PTO-1449 (two sheets of Form PTO/SB/08A and one sheet of Form PTO/SB/08B).

4. Identification of Prior Application in Which Listed Information Was Cited and For Which No Copies are Submitted or Need Be Submitted

This application relies, under 35 U.S.C. 120, on the earlier filing date of Application Serial No. 09/917,019 filed July 25, 2001. All of the references were cited and submitted by applicants to and/or cited by the Office in such prior application, as well as any required English-language translations of foreign information items, and, therefore, are not required to be submitted in the present application. [37 CFR 1.98(d)]

5. Identification of Person Making This Information Disclosure Statement

The person making this Information Disclosure Statement is the attorney who signs below on the basis of information supplied by or on behalf of the inventors and information in the attorney's file.
